

The Olive Branch Loyalty Scheme

To reward our fantastic customers we have introduced The Olive Branch Toyshop Loyalty Scheme which gives points for purchases and for a product review following a purchase.

It's simple ... for every £1 spent you will earn 1 point. Following a purchase you can earn additional points by reviewing the product on our website.

When you have 100 points we will send a £10 discount code to redeem on a future purchase/order.

To register [CLICK HERE](#) to set up an Account. Once your account is active you will automatically start collecting points on your purchases and product reviews and be able to log in at any time to check your balance under the 'Loyalty & Rewards' section. If you have already registered with us you should be able to see your points total immediately. Points will start being allocated for all purchases and product reviews from 31st March.

You can also gain additional points by reviewing a product following your purchase (10 points for a product review with a comment) and an additional 10 points with your first online order.

Terms & Conditions

- Cancelled or Refunded orders will result in the adjustment of points.
- Points can only be earned and spent by Customers when registered and logged in to their account.
- You must be 16 years of age or over and resident in the UK to join The Olive Branch Loyalty Scheme
- Product reviews should be made within 3 months of a purchase being made from our website to attract additional points

A separate card based scheme is also being administered instore. If you shop with us both instore and online, please talk to us about combining your points totals.

If you have any questions concerning the scheme please contact us on info@theolivebranchlimited.co.uk or calling us on **01332 811811**
